Swimming Pools

Swimming pools are a great addition to any backyard, adding years of enjoyment and fun, turning your property into your own personal oasis. Having a swimming pool need not come with the extra stress of worrying about safety. With a few simple precautions, including utilizing a pool alarm, your swimming pool can provide countless hours of entertainment without the worrying. Pool Patrol provides peace of mind so you know that there is an extra layer safeguarding your children and pets.

Types of Swimming Pools

Pool Patrol floating pool alarm comes with the added benefit of a completely hassle free setup. While many other pool alarms require some type of modification to the pool wall or deck, Pool Patrol requires only a 9-volt battery and simple calibration in order to start safeguarding your pool – no drilling is required. Pool Patrol is compatible with just about any type of pool, regardless of shape, up 20' x 40'. The types of swimming pools covered by Pool Patrol include:
